No. Univ/Reg/PS/298
Dated: 18.11.2020

NOTIFICATION

On the recommendations of the Project Director (B&W), the Vice-Chancellor has desired strict compliance of the following instructions to observe the austerity measures in all departments / offices / campuses for effective and efficient use of resources to reduce utility bills:

- Do not use inverter type air conditioners for heating purpose in winters, as it consumes almost same load as cooling.
- Control and restrict use of electric heaters in common areas / offices / departments.
- Use of electric heaters in hostels is prohibited.
- Un-wanted lights must be kept off during day light and only required lights must be turned on in departments / offices.
