

Join Springer Nature Live Webinar
**HOW TO EASILY FIND THE RESULTS
 YOU ARE LOOKING FOR ON
 SPRINGER NATURE - PAKISTAN**

Date: October 12 at 3.00 PM Pakistan time

The aim of the workshop is to share with you about the content available and how to navigate through Springer Journals on Link.springer.com. Reserve your spot today to know

- How to use the Search function to find the information you need
- How to use some of the user friendly features on the platform
- How to search and filter your keywords

After the webinar you will be able to easily find the most relevant information that you need for your research.
