

**Title: PEC Visit of Center of Excellence in Water Resources Engineering for Registration as Professional Engineering Bodies**

Dated: 04, April, 2022

On the request of the Director, Centre of Excellence in Water Resources Engineering (CEWRE), UET, Lahore, a special committee of Pakistan Engineering Council represented by Engr. Engr. Maj.Gen(R) Tariq Javed (Member Governing Body PEC) and Engr. Wasif Irshad Bhatti (Deputy Registrar, PEC R/O, Lahore) has visited CEWRE for accreditation as Professional Engineering Bodies with PEC.

The visitors interacted with the Head of Organization, faculty and checked different available labs facilities. The team highly commended the Director, CEWRE for his endeavors in bringing the Centre up to the expectations of PEC for accreditation.
